Med-Handler
EXAM-GRADE GLOVES

**MEDICALLY
CERTIFIED**

All Med-Handler® exam-grade gloves are certified 50k as a medical device, FDA approved and rate at or above 15 Accepted Quality Level (AQL).

**HYGIENIC
ENVIRONMENT**

Combined with good hand washing practices, exam-grade gloves bolster medical center best practices, acting as a key component in the prevention of hospital-acquired infections.

**PUNCTURE
RESISTANT**

Exam-grade gloves are engineered to resist both punctures and tears, ensuring reliable, trusted protection for both the medical professional and the patient.

NEW | Med-Handler® Nitrile Gloves

- Improved ultra-soft formulation for increased comfort, fit and dexterity
- Meets or exceeds 15 Accepted Quality Level (AQL)
- Blue color is easily identifiable in a multi-glove environment
- No natural rubber latex to minimize risk of allergic reaction
- Exceptional puncture and chemical resistance
